## GENERAL

- The 2nd Social League FIERCENESS Aroeira Tennis & Padel is a competition played in League mode (all against all) with the objective of promoting the tennis modality and enhancing the evolution of practitioners, putting in contact the largest possible number of players and allowing them to face different opponents from those they normally train and/or play with, in a spirit of respect for opponents and healthy competition.

## DATES

- The league will run from March 6, 2023 to June 30, 2023. The Masters will be played in the week following the end date with the top 8 ranked players.

## LEAGUES

- There will be 2 different Leagues: one for Men and one for Women.
- The games will be played in the best of 3 sets with tie-break, the 3rd set being a super tie-break (up to 10 points).
- If a game is scheduled, it can only be rescheduled due to force majeure (eg: rain) or within 24 hours of its performance. After this period, the game will be considered "active", with the respective players being obliged to pay the rent of the field and the victory being awarded for non-attendance to the player who shows up to play.
